

Be on Next Years Board of Directors!
Give a Little of Your Time and Make a Difference

Our Property Owners Association(POA) is led by the BOD which consists of three volunteers that agree to lead and manage the POA for a year(or more). Duties can be found on website, from talking to current BOD, or any of the past BOD members. Being on the Board does not require a lot of time, but has a lot of impact on the community.

The Election Committee, Cliff Coons and Betsey Sterling, is asking for volunteers for the 2022 BOD to be on the ballot at our October Meeting. To allow time for absentee voting, we would like to have names by August 20. Being on BOD does several items including

- gives you opportunity to help maintain and improve our neighborhood
- get chance to meet more of your neighbors during meetings and interactions
- educates you on our CCR's and ByLaws.
- get to work with great volunteers since we have several committees that are also staffed by community volunteers

If you would like to be on ballot for 2022 BOD, or want to talk more before volunteering, please contact Cliff Coons (cliff78957@aol.com) or Betsey Sterling (iacolina100@gmail.com)
